DESCRIPTION

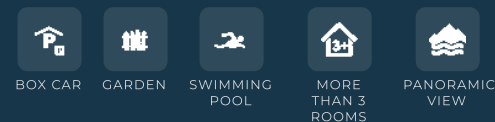

Elegant luxury property with sea-view pool in the city of Genoa

In Genoa Castelletto, in a reserved and elegant context immersed in the greenery of a private park, we propose an elegant apartment of 250 sqm arranged on two levels, a unique property that combines exclusivity, spaciousness and a splendid sea view. The rooms are bright thanks to the large windows that enhance every space, while the exteriors represent a real strong point with a large terrace, a roof garden with swimming pool and an independent annex, as well as a panoramic balcony on the upper floor. On the lower floor we find a large double living room with dining room, a kitchen, all overlooking the terrace and the garden, creating a perfect continuity between inside

and outside, and a guest bathroom. The sleeping area, located on the upper floor, consists of four bedrooms, two bathrooms and a balcony with open views of the sea, giving a relaxing and refined atmosphere. To complete the property, a convenient garage, condominium parking spaces and three cellars, elements that make this housing solution even more functional and comfortable. An exclusive home, perfect for those who want to live in an elegant and private environment without sacrificing the beauty of spacious and panoramic spaces. Contact us for more information and to discover in person this extraordinary opportunity. Daimm - Competence, Passion and Innovation since 1985
