DESCRIPTION

WONDERFUL CARIBBEAN VILLA

Classically styled Caribbean villa with refined and elegant architecture and furnishings. This modern take on a classic Caribbean home perfectly embodies island living in a luxurious setting. Spacious and luxurious two-story villa, this stunning home features five bedrooms, six bathrooms and a large swimming pool, perfect for both exercise and relaxation. Bright spaces with abundant natural light, the interiors are refined with light-colored walls and floors, fine furnishings and accessories, all complemented by warm wood accents and frames. Vaulted ceilings throughout the villa create a feeling of spaciousness and openness. The large indoor living room features floor-to-ceiling windows and French doors that open onto covered

patios. This property is designed with covered open spaces to allow for comfortable outdoor living and several shaded areas to relax and enjoy the cool breezes. The layout of the villa is designed to provide space and privacy, with bedrooms both upstairs and downstairs, all with en-suite bathrooms. The exterior of the house features a stately entrance, covered parking with space for several cars, and a private gated driveway with lawn. The imposing size of the property creates the feeling of a private estate, with a fully fenced and private garden surrounded by palm trees and tropical vegetation. You will surely appreciate this majestic and impressive residence to raise your family, retire or as a private vacation retreat.
