DESCRIPTION

Gorgeous apartment for sale with views of Lake Como and the Duomo

In the heart of one of the most sought-after and prestigious neighborhoods of Como, within a building recently enhanced by major redevelopment and equipped with concierge service, lies this beautiful apartment, where space meets elegance and the gaze is lost in views of rare beauty. An ideal home for those who want to live in an elegant context, with spacious and refined environments, spectacular views of the lake and the Duomo, and at the same time the convenience of city services. Crossing the threshold, a generous entrance hall introduces to a long corridor, a refined prelude to the rooms that follow one another with harmony. The large and well-distributed surface guarantees comfort and privacy: three bright bedrooms, two bathrooms and a separate kitchen, perfect for those who love to cook in a

cozy and discreet environment. The centerpiece of the house is undoubtedly the double living room: spacious, airy, enriched by two balconies that open onto one of the most exciting views of Como. The lake on the horizon and the unmistakable silhouette of the Duomo create a natural picture that changes with the lights of the day, giving emotions in every season. The property is completed by a generously sized cellar, useful for any storage needs, and a single garage, a true privilege in a central and residential area. This dwelling is not just an apartment, but an authentic lifestyle. The location, surrounded by greenery and quiet, but a few steps from the historic center, makes this proposal truly unique. A rare opportunity to live Como from above: contact us to schedule an appointment!
