DESCRIPTION

Prestige Contemporary Elegance and Outdoor Living at Bay Point

Welcome to a contemporary masterpiece in the heart of the exclusive Bay Point community, completely redesigned by a world-renowned architect with obsessive attention to detail, materials, and the living experience. This residence represents an impeccable synthesis of architectural design, advanced functionality and upscale lifestyle. From the moment of arrival, the newly designed driveway elegantly frames the marble-clad facade, anticipating the level of sophistication that characterizes each interior. Every surface has been custom curated, from the fully custom kitchen with the highest quality porcelain countertops, to the layering of natural stone and noble materials that create a perfect aesthetic continuity between indoor and outdoor spaces. The fluid and perfectly balanced floor plan is enhanced by European wood floors, 10-foot high ceilings, and a natural separation of living and sleeping areas, offering 5 bedrooms and 5 and a half bathrooms designed to ensure privacy, comfort,

and harmony. The entire second floor is dedicated to a spectacular 90 sq. ft. master suite, complete with private custom office, double walk-in closets and a spa-level master bath designed as a true personal retreat. Outdoor spaces further elevate the living experience, transforming the property into a private oasis dedicated to wellness and longevity. A new landscaping design surrounds: Fully equipped outdoor kitchen Saltwater pool Sauna Hot tub Each element is designed to experience the outdoors year-round, in total privacy and relaxation. Complementing the residence, solar panels and an emergency generator offer energy efficiency, sustainability and maximum peace of mind, meeting the needs of a modern, conscious buyer. This property represents a rare opportunity in Bay Point: a turnkey home, where architecture, craftsmanship, technology and lifestyle converge into a single, extraordinary vision. A residence designed for those who make no compromises.
