DESCRIPTION

An Inhabitable Work of Art in the Miami Sky.

Experience the absolute pinnacle of residential luxury within Zaha Hadid's signature visionary masterpiece, one of Miami's most iconic and celebrated architectures. This rarest penthouse, a veritable mansion in the sky of over 8,200 square feet, represents a perfect fusion of architectural genius, cutting-edge technology, and sartorial comfort. Recently renovated to superior standards, the residence boasts raised ceilings in the living and family room areas, doors expanded from 8 to 10 feet to emphasize volume and spatial continuity, and a fully enclosed and equipped second kitchen, ideal for private catering or staff use. The living experience is elevated by state-of-the-art CRESTRON and LUTRON home automation systems, which control lighting, audiovisual, blinds and shades, ensuring a perfectly calibrated environment at all times. The

layout includes 5 bedrooms plus staff quarters, 6 ½ bathrooms, dual laundry rooms with washer and dryer, and 4 assigned parking spaces, offering functionality rare even in the ultra-luxury segment. Each space is designed to offer absolute privacy, architectural fluidity, and a sense of total exclusivity. Residents enjoy an unparalleled collection of lifestyle amenities, including: Panoramic Sky Lounge with breathtaking views Indoor/outdoor spa and wellness center World-class concierge and hospitality services This iconic residence is not simply a home, but an elevated living experience, where refined comfort, smart technology, and sculptural design coexist in perfect balance. A once-in-a-lifetime opportunity to own a trophy property designed by one of the most influential minds in world architecture.
