Charming sea view villa surrounded by greenery, Sardinia

In the granite promontory of Capo Ceraso, overlooking the Gulf of Olbia, along the northeast coast of Sardinia, stands an elegant villa surrounded by greenery. Privacy, silence and close contact with nature are the elements that distinguish this home: an oasis of peace where time seems to stand still, allowing body and mind to regenerate. The generosity of the spaces makes every room pleasant and functional. Outside, the villa is surrounded by a private garden of about 500 square meters, ideal to fully enjoy the Mediterranean climate and live moments of relaxation or conviviality outdoors, thanks to the presence of a barbecue and a private solarium. Every moment will be accompanied by the scents of the Mediterranean scrub, thanks to the presence of flowers and plants typical of the area. The interiors are spacious and bright and the villa is spread over two levels. The ground floor houses a large living room with a large window that allows you to enjoy the sea view from the comfort of the sofa. On cooler evenings, the fireplace enriches this space, making the room warm

and cozy. Adjacent to the living room is the dining room, connected to the separate, livable and functional kitchen. Two bedrooms with sea views, two bathrooms, laundry room, veranda and storage room complete the ground floor, making the house comfortable and convenient throughout. On the upper floor there are two bedrooms with breathtaking views, a bathroom, a terrace and an additional storage room. The villa is ideal for those who want space, comfort, nature and privacy, without sacrificing the convenience of easily reaching renowned beaches such as Porto Istana and Li Cuncheddi, as well as stores and services, only 3 minutes away by car.
