At the intersection of the pedestrian exclusivity of Viale XX Settembre and the perfect vehicular accessibility of Via Crispi, this real estate opportunity is designed for forward-looking investors and corporate identity of international standing. The property is located within a beautifully restored period building, strategically positioned in an area of very high pedestrian and vehicular traffic, served by convenient public parking in the immediate vicinity. The building is developed with elegant rationality on two levels. On the ground floor, the reception area welcomes guests and clients with large windows facing directly onto Piazzetta Besso, the hub of the historic
