DESCRIPTION

Charming detached house

In the picturesque village of Muronico, a hamlet of Dizzasco, just a few kilometers from the shores of Lake Como, we are offering a stunning detached home with authentic charm. Completely renovated in 2021, the home features an entryway, a bedroom, and a bathroom on the main floor. An internal staircase leads to the upper floor, where a cozy open-concept living and kitchen area unfolds, enhanced

by a balcony offering a picturesque view of the lake. On the lower level, which is not connected by an internal staircase, there is a hallway with a separate entrance, a bathroom, and a laundry room—ideal for guests or as a relaxation area. The property is completed by a charming vaulted cellar, which adds further charm and authenticity to the home. Parking is available just outside the village.
